### **Faith Formation**

John shared information from the book: "More Than a Carpenter". The chapter John focused on was entitled: Lord, Liar, or Lunatic. This chapter provides insight as to how to build our conviction and confidence to support Jesus as being the Son of God. It provides us with the support needed when people confront us with the comment that Jesus was not the Son of God, but only "a good, moral man or an exceptionally wise prophet who spoke many profound truths". The chapter provides information from the viewpoint that if Jesus was not the son of God, then all that he stood for would make him either a liar or a lunatic. Our faith can be renewed and supported by the arguments presented in this chapter.

### **Pastor's Moment**

- Discussion regarding upcoming renewal in Gaylord with Steven Ray as the presenter on August 22. Pastoral Council members encouraged to attend and to encourage others to attend. Fr will include information from the Pope's letter from February at mass to promote attendance.
- Diocese Teams to include 8-12 people on 3 separate committees (Communication, Stewardship, & Evangelization Teams). Monica representative from Pastoral Council. Would like at least one other rep from CTK. Suggested individuals were Jill LaCross or Mike Bobrowski.

### **Old Business**

**Parrish Picnic/Block Party:** Flyer in the bulletin this week. Sign-up sheets being done after all masses. Encourage all to RSVP so K of C has an idea of how many people will be attending. Changes to the flyer suggested: Add block party for the neighborhood distribution; add dish to pass. Fr Ray requested assistance in delivering the flyers throughout the neighborhood. August 19 Kids are getting together to clean up the area by the Stations of the Cross. Kids will be accompanied by an adult to help distribute the flyers. Menu discussed. K of C providing brats, burgers, silverware and plates. Fr requested sweet corn be added to the menu. Further discussion regarding plans for the event. Further work needed on the planning. Group to meet Thursday at 9 am to finalize plans.
